### **Marilyn Corners President's Report:**

**Hi Everyone,**

**As I am writing this, we are having RAIN, Glorious RAIN. How welcome is this? Cools things off, cleans things up and furnishes Free Water!! It is such a blessing to live here, in this beautiful state, and I am loving our summer weather. Of course our hearts go out to all our friends who have been battered by the tornadoes and storms in the south and mid-west. So keep them in your thoughts and prayers.**

**By the time this newsletter is printed and you are reading it, we will have already had our seminar with Chuck Danford, painting his "Mountain Ram" on Yupo paper. I am very excited for the class and looking forward to learning more of Chuck's techniques for making watercolors come to life. He is such a master artist and we are sooo fortunate to be able to study with him. Thanks to Char Bucher for bringing him to us once again.**

Our next seminar will be August 24th, with Judy Patti, in her studio in Littleton. It will be another fabulous experience to learn new techniques while painting two beautiful works of art. You can find pictures of both paintings on our website, <http://www.RockyMountainHiArtists.com/seminars>. Judy is such a talented Artist and remarkable Teacher, we are really blessed to be able to have her teach for us. Contact Char if you want to join in on the fun.

We held the Free Painting Workshop at Ross-University Hills Library on Saturday, May 25th. It was a good class, but several sign-ups were 'no-shows', probably due to the fact of it being the Memorial Day weekend. However, we did get names of new and not so new painters who may be prospects for Rocky Mountain Hi. We will follow up on those. Our next Free Painting Workshop at the Library will be Saturday, August 3rd. Ginny Sparlin will be teaching "Shrinky Dink Jewelry". The class is limited to 20, so if you are interested, call the library and sign up. 720-865-0955.

Your Nominating Committee, comprised of Char Bucher, Linda Bierman and Nancy Glassman, is busy working on a slate of officers to present to you at our September Luncheon meeting. Please review the Duties of the Officers as stated in our By-Laws, Article VII. (You received a copy of our By-Laws in the previous newsletter, May issue).

If you believe that you, or someone you know would be a good fit for a position on the Executive Committee or Board of Directors, please contact one of the Nominating Committee and let her know of your interest. In order to serve as an Officer or on the Board, the member must be in good standing, able to attend Board meetings as well as general meetings and in the case of the Executive Committee, have served on the Board previously.

Various Board/Committee positions are: Hospitality, Ways and Means, Publicity, Philanthropy, Historian, Seminars, SDP Liaison and Community Outreach. Each of these positions is vital to the growth, strength and future of Rocky Mountain Hi. New members are welcomed and encouraged to become involved in the 'government' of the chapter, so do consider using your talents, strengths and/or interests to help further the growth and vitality of our chapter of Decorative Painters. We are a very special group of Artists, doing good work!!!

See you on the 17th.

Hugs,  
Marilyn

**Verlene Siska - Vice President/Program Chairman**

*Notes for Program, June 17th, 2013 – from Marilyn Corners*

Ladies,

We are going to have such a good time next week at our Chapter Meeting on Monday, June 17th, 2013. We will be painting on Roc-Lon. If you are not familiar

with Roc-Lon, it is a superior, heavy, cloth painting surface, which will accept any media.....never curls on the edges.....can be cut with ordinary scissors.....tough enough for floor cloths.....and does not wrinkle. We used it for the placemats which we made for "our" table at the SDP Conference Banquet. And.....we are going to paint placemats on Monday night!!

The chapter is furnishing the Roc-Lon, free of charge, for the program. We will need all the time we can squeeze out of the meeting for painting, so please be on time and we will try to get through our business in a prompt and efficient manner. DecoArt is furnishing the paints (bless them!).

You will need to bring the following supplies:

Ordinary Acrylic supplies.....

1. Brushes
2. Water container
3. Paper Towels
4. Sea sponge(s)
5. Palette
6. Tracing Paper
7. Transfer Paper
8. Pencil
9. Stylus (or empty ballpoint pen)
10. Newspapers
11. Good Attitude and Expectations for a very fun experience!!

See you Monday.

Hugs,

Marilyn

***NOTE: Please Roc-Lon placemat image. is NOT attached but it IS lovely!***

Hello Painters,

Let's start out with the color Purple. Purple is a balance of red's stimulation and the calming effect of blue. Very creative or eccentric people often like this color and is the favorite color of adolescent girls. The effects calms the mind and nerves, it is uplifting and encourages creativity. Interestingly purple was the first color dye made by man. Comic books published years ago with purple on their covers sold better.

Renee Mullins of Plum Prudy Designs has a new book and new Nightlight Kits. As always Renee's designs are adorable. <http://plumpurdy.com/index.php>

DecoArt introduced many new products for 2013. Six beautiful new colors were added to their Americana Acrylic line.

A new line of Americana Multi-Surface Satin paints are on the market with 40 colors. This paint will work well on wood, ceramics, most plastics, canvas, Styrofoam, metal, paper, terra cotta, glass and fabric! This paint is suitable for indoor or outdoor projects.

Also introduced is Americana Gloss Enamels Glass Chalkboard Paint. This paint can be used on glass and glazed ceramic.

A few new colors were added to the existing line of SoSoft Fabric Paints, Dazzling Metallics and the outdoor Patio Paint line.

For more info on any of their products visit their website.

SDP will be in San Diego next year and I can hardly wait. The conference in San Diego several years ago was one of the best ever!

The High Plains Chapter has scheduled Diane Bunker, Carolyn Spohn, Rosemary West and Jamie Mills-Price for seminars over the next two years. All of these artists are extremely popular and very talented.

That's it for this month. See you at the next meeting?

Melinda
